[REDACTED] in Dr. Wheelon's office. We have noted
that [REDACTED] et al are due over for a [REDACTED] briefing
at 2:00 tomorrow. We would like to punt on this for
a couple of reasons. We have received word from you
all this afternoon and it looks rather like an
advance guard of the group you would like to put
together and which has been called to Mr. McCone's
attention by Mr. Vance. This seems a different
forum than that for the usual progress report.
Also this group has been working rather hard and
has been out of town a good deal so we would just
as soon wire this together sometime during next week.

[REDACTED]
Well - - - all right.

[REDACTED]
All right, fine. We will be in touch with you early
next week about rescheduling a meeting.

[REDACTED]
Thanks for calling.
